

# MSDRGs & FY09 IPPS UPDATE

*An e-learning opportunity from the education experts you trust!*

CMS's implementation of Medicare Severity Adjusted DRGs (MS-DRGs) effective October 1, 2007 make the need for timely, effective staff education a high priority.

We are excited to announce e-learning opportunities! The first urgent topic we will provide is "**Introduction to MS-DRGs**". This six (6) hour , two (2) part session taught by Deborah Hale, CCS, President of ACS and Susan Wallace, M Ed, RHIA, CCS, Director of Compliance for ACS is scheduled for release after October 1, 2008 and will be updated as changes and clarifications are made by CMS.

Participants who would benefit from this session include:

*Medical Staff Leadership, Physician Advisors, Clinical Documentation Improvement Specialists, Coders, Case Managers and all others interested in learning more about the MS-DRG methodology.*

**Unlimited access** to these e-learning educational sessions continues until September 30, 2009 making it possible to provide training to new employees for whom knowledge of the MS-DRG methodology is important.
