## Coding COVID-19: 4/1/2022

U07.1 COVID-19

**U09.9 Post-COVID Condition** 

Z11.52 Encounter for screening for COVID-19 (not used during pandemic)

Z20.822 Contact with and (suspected) exposure to COVID-19 (exposure presumed during pandemic when testing)

**Z86.16 Personal history of COVID-19** 

If the documentation is not clear regarding whether the physician considers a condition to be an acute manifestation of a current COVID-19 infection vs a residual effect from a previous COVID-19 infection, query the provider.

Codes for unvaccinated or partially vaccinated are NOT used for patients who are not eligible for the vaccine, as determined by their healthcare provider.
